WHAT IS YCP?

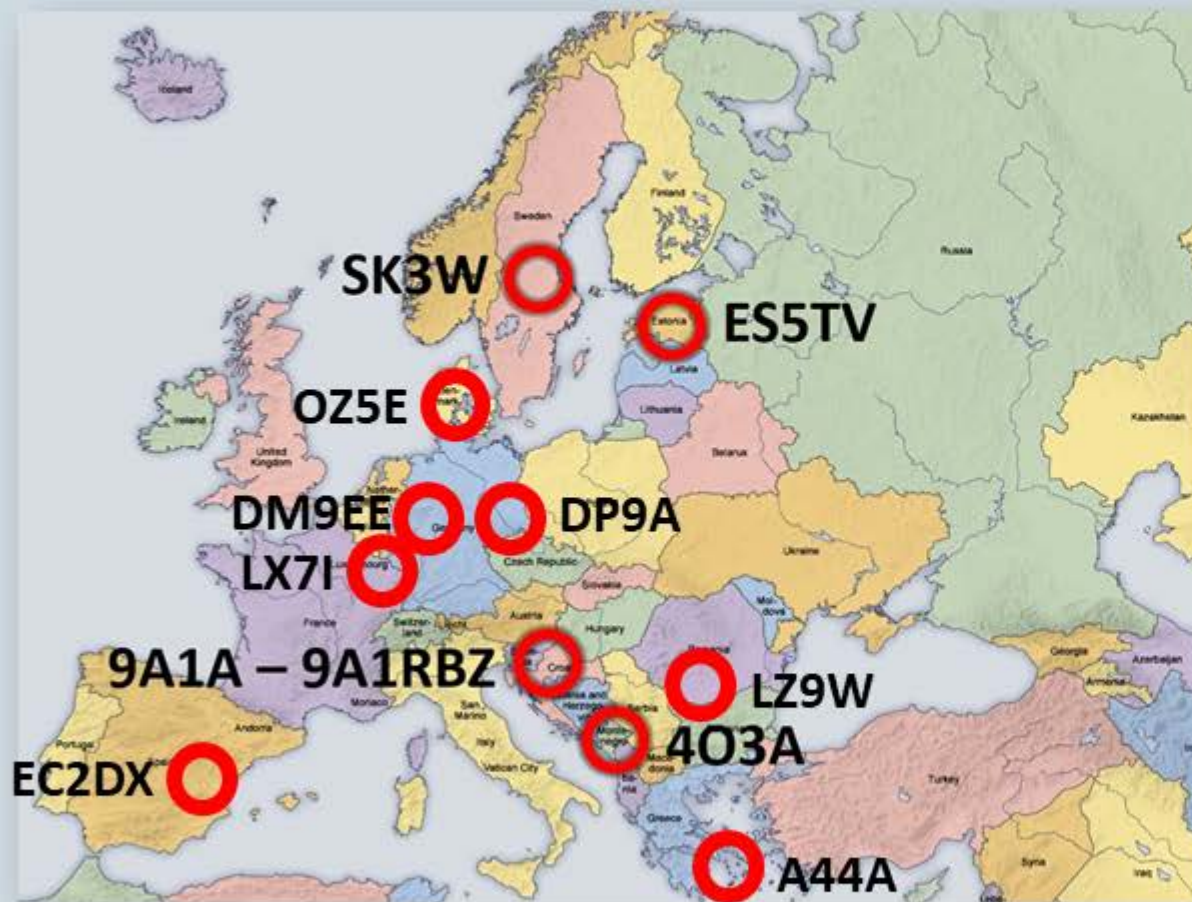

- Youth members from IARU member societies are invited to take part in a contest from some of the so called “Top-Gun” stations around the World.
- These young HAM’s will learn how to operate the contest station, improve their contest skills and will aim for the best results together as a team.
- A youngster will probably be coming for the first time to the host country and will get the chance to experience this country and share amateur radio knowledge with local youngsters.
